

Dit gaan we zingen

Tijdens de klimaatmars 12 september 2026

1. We're Gonna Rise Up

We're gonna rise up, rise up till it's won (2x)
When the people rise up (*response repeat*),
the powers come down (*response repeat*) (2x)
They tried to stop us, but we keep coming back(2x)

2. All You Fascists Bound To Lose

I'm gonna tell you fascists - You may be surprised
The people in this world - Are getting organized
You're bound to lose, you fascists bound to lose

All you fascists bound to lose
All you fascists bound to lose
All you fascists bound to lose
You're bound to lose! You fascists: bound to lose!

Race hatred cannot stop us - This one thing we know
Your power-hungry arrogance - And greed has got to go
You're bound to lose, you fascists bound to lose

All you fascists bound to lose etc.

People of every color - Marching side by side
Marching through the street - Taking back our pride
You're bound to lose, you fascists bound to lose!

All you fascists bound to lose etc

I'm going into this battle - And make the fascists run
We'll end this world of white men - Before this battle's won
You're bound to lose, you fascists bound to lose!

All you fascists bound to lose etc.

3. Bella Ciao Voor Palestina

We gaan de straat op voor Palestina
Oh bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!
We gaan de straat op voor Palestina
met de opstand in ons hart

Wie stopt de wapens van genocide?
Oh bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!
Wie stopt de wapens van genocide?
Van de medeplichtigheid?

Doorbreek de leugens, breek de blokkade
Oh bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!
Doorbreek de leugens, breek de blokkade
van de zee tot de rivier

Zodat de kinderen weer kunnen spelen
Oh Bella ciao! Bella ciao! Bella, ciao, ciao, ciao!
Zodat de kinderen weer kunnen spelen
En het land weer leven kan

En bij de graven van hen die vielen
Oh bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!
En bij de graven van hen die vielen
Staan olijfbomen in bloei

De intifada voor Palestina
Oh bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!
De intifada voor Palestina
Doet de grond weer vruchtbaar zijn

4. MEDLEY

– Rise Like The Water

People gonna rise like the water
Gonna face this crisis now
I hear the voice of my great granddaughter
singing keep it in ground

– Keep It In The Ground

2 x:
Keep that coal in that hole
Keep that oil in the soil

2 x:
Gotta keep it down
Gotta keep it in the ground

– The Earth, She's Not Your Property

The earth, she is not property
The earth, she is alive
The earth, she is not property
The earth, she is alive

We don't own the land no
We don't own the water
We don't own the air no
We don't own the fire

– Forget Your Perfect Offering

Forget your perfect offering (*response repeat*)
Ring the bells that you can ring (*response repeat*)
There is a crack in everything (*response repeat*)

2 x:

That's how (*response repeat*) / the light (*response repeat*) / gets in
That's how the light gets in!

5. Kappen Met Die Kolen

De kolen, de kolen, de kolen
Die horen in de grond
Het stoken van die kolen
is schandalig ongezond

Ja, de kolen, de kolen, de kolen
Die verbranden de planeet
We moeten kappen met die kolen
Het is maar dat je 't weet!

2 x:
Kappen kappen kappen!
Sorry dat ik u stoort!
Kappen kappen kappen!
Geen trein meer over het spoor

De kolen, de kolen, de kolen
Die gaan over het spoor
Maar nu is er wat gestolen
Ze zijn d'r met de rails vandoor

De kolen, de kolen, de kolen
Nu staan de treinen stil
En we lachen onverholen
De weg volgde de wil

2 x:
Kappen kappen kappen!
Sorry dat ik u stoort!
Kappen kappen kappen!
Geen trein meer over het spoor

6. Geht Auf Die Bäume / Ga Mee De Boom In

Geht Geht Geht auf die Bäume eh die Welt in Müll und Krieg versinkt
GEHT! GEHT! GEHT auf die Bäume, weil widerstand uns vorwärts bringt

Wenn die angst dich fesselt und der mut is so klein, GEHT auf die Bäume, geht!
Komm mit protestieren, du bist nicht allein: Geht auf die Bäume, geht!

Ga Ga Ga mee de boom in voor de aarde zinkt in oorlog en mest
GA! GA! GA mee de boom in want strijd is wat ons nu nog rest

Als de angst je ketent en je moed verdween, GA mee de boom in, ga!
Kom mee protesteren, je bent niet alleen: Ga mee de boom in, ga!

7. We Are Here And We Are Rising

We are here and we are rising
We are here and we are strong
We are here for all our neighbors
and the ones already gone
We are here and we are rising
We are here and we are strong
We are here and we are rising
We are rising, we hold on

took back my humanity

Oh I, went down to the rich man's house and I,
Took back what he stole from me (took it back)
Took back my dignity (took it back),

9. Shell Must Fall

Do you remember 300.000 – Ogoni people on the streets in ‘93?
to end the ecological war – waged by the corporate greed
3000 oil spills, no reparation – then came the military
Crops were destroyed & petrodollars bought Kill & Go police

We block the streets, Disrupt their industry
Oh can you hear our call [Shell must fall]

Shell must fall – oh Shell must fall
Ogoni people not forgotten – Shell must fall
They raped and tortured and murdered for oil
Ogoni people not forgotten – Shell must fall

Just 3 miles from indigenous land, sits a toxic waste pool
heavy metals, radioactive trash, fracking dumps are lethal
With 2 spills a day in Nuequen – how can they still operate?
Mapuche people filed a legal case – how long must they wait?

We block the streets, Shut down their industry
Oh can you hear our call [shell must fall]

Shell must fall – oh Shell must fall
Mapuche people not forgotten – Shell must fall
They poisoned the water, threatened health of all
Mapuche people not forgotten – Shell must fall

In the sixties it was predicted – that it would make the land shake
Now sixty years later extraction has caused – over a thousand earthquakes
They tore the land, cracks in the homes, and in the people too
Still bureaucracy, state complicity, protects the fossil fools.

We block the streets, Demand accountability
Oh can you hear our call

Shell must fall – oh Shell must fall
Groningen is not forgotten – Shell must fall
Denying damages, only their greed is Royal
Groningen is not forgotten – Shell must fall

Shell must fall – oh shell must fall
Human rights are violated – Shell must fall
Shell must fall – oh Shell must fall
Climate crimes around the world – oh Shell must fall

Shell must fall – oh Shell must fall
Our goal is clear and we are unstoppable
unstoppable, unstoppable
Our goal is clear and we are unstoppable!
